Alope,

I was traveling Tuesday, Wednesday, and Thursday of this week (which I think I may have mentioned when we spoke on Monday), and although I had hoped to provide more information to you by week's end, it looks like it's going to take me until next week. Hope that brief delay won't set you back.

Cliff, We would just like to get some clarification re the intent and implementation of the last procedure listed in the attachment of PG&E's SMOO AL filing. If you recall, this aspect was protested.

Aloke,
Can you advise on the subject? I'd like to be prepared...
Thanks.

Hi Cliff:

Sorry for the interruption of your weekend. I have been out as well today. Let's plan to talk at 4pm on Mon.
Thanks for making time on short notice. It would be good to set up a bridge, as we may have another ED staffer
call in. 30 min should be enough, I think.

Have a good weekend.

Hey Aloke. I understand you'd like to find time to talk about our Opt-Out Program...

I've been out on vacation this week, back next. I'm free late in the day on Monday (4:00) if that works for a call.
I'm (unfortunately) doing some traveling on Tuesday - Thursday, so if not Monday, then perhaps between things
during those days by phone, or on Friday.

Let me know what works best for you...

Happy 4th of July weekend.

Cliff
