Subject: RE: Green option?

Hi Sid,

I'll be meeting with ALJ Clark today and will have more orientation then. I have the application, but not the testimony. If you have the handy docs at your finger tips and send them over to me that would be helpful.

As far as scheduling a call I can do weds afternoon after 2 pm, phone or coffee over here is fine.

Best,

Gabe

Great, nice to meet you. I am one of the PG&Eers on the case -- let's grab a coffee to meet in person, are you around next week?

Paul --

Hi there! I have a quick question for you -- who is the analyst we should work with on PG&E's green tariff? We need to work with that person in advance of the 26Jul workshop. Thanks!

yours,

sid
