Subject: RE: Call/mtg request re:PG&E's 2012 RPS Plan

Meredith,

Next Tuesday, July 10 at 10:30 am will work. I have reserved a room here at the CPUC, but if schedules are constrained, a conference call is fine.

Below is a preliminary list of issues. I am still reviewing the changes to PG&E's pro forma PPA and comments filed last Wednesday. I will let you know if there are additional issues. Also, Energy Division attendees will likely be Sean Simon and myself.

Thank you,
Cheryl

List of issues to discuss:

LCBF - PAV

Sales vs. banking valuation

1,000 GWh target

Price adjustment - cost caps

Amendment of credit requirement proposal

Confidentiality in cost quantification and status update

Cheryl,

Would next Tuesday, July 10 at 10:00 or 10:30 work? We could meet you at the Commission or schedule as a call.

Thanks,

Meredith

Subject: Call/mtg request re:PG&E's 2012 RPS Plan

Meredith,

I'd like to schedule a call to discuss a few questions I have regarding PG&E's 2012 RPS Plan. Are there any times available next Thursday (7/5) or Friday (7/6) or the following Tuesday(7/10).

I can provide a general list of issues early next week that I would like to discuss.

Thank you,

Cheryl
