Subject: PG&E - planning to file AL recommending modifications to RAM3?

Hi Meredith,

I'm just checking to see if PG&E is planning to file an AL requesting modifications to the RAM3 program rules. SCE filed such an advice letter (2759E) on July 12, 2012. I was intending to hold off on disposal of that AL until I receive input from PG&E and SDG&E through the same process, then issuing a joint resolution addressing all three.

Looking ahead at the calendar though, we're already facing a tight timeline ahead of the 3<sup>rd</sup> RAM auction.

**Latest date to file AL:** 8/11/2012 (allowing 30 days for protest + time to dispose of protests in resolution)

**Resolution Mail for Comment:** 9/11/2012

**Commission Mtg:** 10/11/2012

**RAM3 RFO Launch:** 10/15/2012

**RAM3 Closes:** 11/15/2012

With this timeline in mind, if you could let me know what PG&E has in mind in terms of when it expects to file an advice letter like this, that'd be great. Of course, if PG&E isn't planning to file such an AL, let me know that too.

Let me know if you'd like to discuss.

Thanks,

Adam
