Thank you Chris. However based on feedback that we've gotten from president peevey we need a bug name with a very big vision. This person doesn't sound like they fit that bill.

Do you guys have any "chits" you can call I'm from the Darby days?

Good afternoon, Kristin. As Jack may have shared, unfortunately, Hannah Jones from Nike is not available for the en banc.

However, we've reached out to another solid candidate -- Kathy Loftus, Global Leader of Sustainable Engineering and Energy Management, at Whole Foods. I'll be sure to keep you posted on her interest in speaking at the en banc.

Best,

Chris

Levi's is unable to participate (schedule conflicts). My last recommendation is Jib Ellison (BluSkye Consulting); although a consultant, he has the ability to fill our need.
