Subject: RE: CPUC Sustainability en Banc

Hello all, Ralph Cavanaugh has agreed to be our keynote speaker for the en banc. Now that our agenda is complete, I will be circulating it to our Commissioners' offices and we'll be putting it up on our event website. I am on vacation next week, but when I am back in the office, we'll start working on press releases, etc. Thanks again for all your help in setting up this event. Best, Kristin.

Good afternoon, Kristin. As Jack may have shared, unfortunately, Hannah Jones from Nike is not available for the en banc.

However, we've reached out to another solid candidate -- Kathy Loftus, Global Leader of Sustainable Engineering and Energy Management, at Whole Foods. I'll be sure to keep you posted on her interest in speaking at the en banc.

Best,

Chris

Team -

Levi's is unable to participate (schedule conflicts). My last recommendation is Jib Ellison (BluSkye Consulting); although a consultant, he has the ability to fill our need.
