Chris, as I just emailed, I just spoke with Ralph Cavanagh, who proposed an interactive session with the Commissioners for his en banc session. Frankly, I can't picture this at all, but am very curious to see this done, so will not stand in his way!

Can you send me Ezra's email address and phone number. As I mentioned, Ralph was looking to connect with each of you before the event and I don't have Ezra's contact info (thought I had his email, but apparently I do not.) Thanks! Kristin.

Hi Kristin. It looks great. Thank you for pulling this together. We've proposed a few minor tweaks to Ezra's title. I also made a few suggested tweaks to Ralph's name and title, which he'll confirm with you, of course. It should be a great event.

Best,

Chris

Hello all, attached is the proposed agenda. This is the version we would like to start circulating publically. Please have a look specifically at the bio's section (I had to shorten all of them, so please be sure you are ok with the edits) and had to make up names for presentations, so please look at those as well. I have reached out to Jessica Fox and Andrea Moffet for the same feedback. I am meeting with Ralph Cavanaugh on the 30th so will get his presentation title at that time.

Thanks, Kristin.

Hello all, Ralph Cavanaugh has agreed to be our keynote speaker for the en banc. Now that our agenda is complete, I will be circulating it to our Commissioners' offices and we'll be putting it up on our event website. I am on vacation next week, but when I am back in the office, we'll start working on press releases, etc. Thanks again for all your help in setting up this event. Best, Kristin.

Good afternoon, Kristin. As Jack may have shared, unfortunately, Hannah Jones from Nike is not available for the en banc.

However, we've reached out to another solid candidate -- Kathy Loftus, Global Leader of Sustainable Engineering and Energy Management, at Whole Foods. I'll be sure to keep you posted on her interest in speaking at the en banc.

Best,
Chris

Team -

Levi's is unable to participate (schedule conflicts). My last recommendation is Jib Ellison (BluSkye Consulting); although a consultant, he has the ability to fill our need.
