Sid and John,

To further elaborate, I would like to review “PG&E’s research demonstrates that customers prefer the bill presentation of the non-CARE rate with a line item for the CARE discount to a detail rate calculation of the CARE discount” as referenced in your reply to the protest of DRA.

Also, I would like to discuss some general aspects of RCES. Thank you.

Sid,

Can you put me in touch with PG&E's point person on this Advice Letter –your subject matter expert if you will? I have a few questions. I am working on it. Thanks for your assistance.
