Subject: Utility Compliance with EPIC ordering paragraphs 9 and 10

Utilities,

On June 29, 2012 the Commission issued a letter postponing the utilities remittance of the EPIC funds until further instructed by the Commission. In light of the new Senate bill No. 1018, which was approved by Governor Jerry Brown, a new EPIC fund has been created in the State Treasury.

Attached above please find the new executive order addressed to the three utilities in order to fulfill their compliance obligation with ordering paragraphs 9 and 10 of the phase two EPIC rulemaking.

Sincerely,

Cem Turhal,
