Re: Withdrawal of SDG&E Advice Letter 2268-E-A – Supplemental Advice Letter Pursuant to Resolution E-4466 - Request for Approval of Renewable Power Purchase Agreements with Sol Orchard San Diego I LLC through Sol Orchard San Diego 4, Sol Orchard San Diego 6 LLC through Sol Orchard San Diego 10 LLC, and Sol Orchard San Diego 12 LLC through Sol Orchard San Diego 23 LLC

Dear Mr. Randolph

In accordance with GO 96.B, Section 5.3, San Diego Gas & Electric (SDG&E) hereby withdraws Advice Letter (AL) 2268-E-A filed on July 9, 2012. The purpose of AL 2268-E-A was to comply with California Public Utilities Commission (Commission) Resolution E-4466 (Resolution) issued on April 19, 2012 which directed SDG&E to submit for approval amendments to twenty-one (21) Power Purchase Agreements (“PPA”) with Sol Orchard San Diego 1 through Sol Orchard San Diego 4 LLC, Sol Orchard San Diego 6 LLC through Sol Orchard San Diego 10 and Sol Orchard San Diego 12 LLC through Sol Orchard San Diego 23 LLC (together “Sol Orchard”). The Resolution directed SDG&E to amend the Sol Orchards PPAs to impose an aggregate cap of \$13.5 million on the costs that ratepayers must pay for any distribution and transmission upgrades (network and reliability) necessary to ensure full deliverability of the projects.

At the direction of the Commission, SDG&E withdraws AL 2268-E-A and will file under a new advice letter number soon after.
