**Subject: Energy Division Request for Copies of E-31 Bona Fide Offer Letters**

Dear Mr. Cherry:

Pursuant to the general authority given to Commission staff under Public Utilities Code Sections 314 and 582, please provide by July 30, 2012 copies of the bona fide offer letters supporting the customer-signed affidavits for all Schedule E-31 contracts entered into by PG&E. Please make sure that each of the bona fide offer letters is identified in such a way that CPUC staff can determine which specific contract they relate to.

Energy Division staff previously requested this information in connection with PG&E Advice Letter (AL) 3524-E. PG&E did not provide this information, on the grounds that it was not relevant to the scope of AL 3524-E. Under the above cited authority, CPUC staff is entitled to the documents requested regardless of PG&E's position as to their relevance to any particular advice letter or proceeding.

If you have any questions, please contact Don Lafrenz of the Energy Division (415-703-1063).

Sincerely,

Handwritten signature of Edward Randolph in black ink.

Director, Energy Division
