Re: Withdrawal of SDG&E Advice Letter 2385-E – Advice Letter Pursuant to Resolution E-4466 - Request for Approval of Renewable Power Purchase Agreements with Sol Orchard San Diego I LLC through Sol Orchard San Diego 4, Sol Orchard San Diego 6 LLC through Sol Orchard San Diego 10 LLC, and Sol Orchard San Diego 12 LLC through Sol Orchard San Diego 23 LLC

Dear Mr. Randolph

In accordance with GO 96.B, Section 5.3, San Diego Gas & Electric (SDG&E) hereby withdraws Advice Letter (AL) 2385-E filed on July 10, 2012. The purpose of AL 2385-E was to comply with California Public Utilities Commission (Commission) Resolution E-4466 issued on April 19, 2012, which directed SDG&E to submit for approval amendments to twenty-one (21) Power Purchase Agreements (“PPA”) with Sol Orchard San Diego 1 through Sol Orchard San Diego 4 LLC, Sol Orchard San Diego 6 LLC through Sol Orchard San Diego 10 and Sol Orchard San Diego 12 LLC through Sol Orchard San Diego 23 LLC (together “Sol Orchard”). The PPAs were amended to demonstrate compliance with the Resolution by imposing an aggregate cap of \$13.5 million on the costs that ratepayers must pay for any distribution and transmission upgrades (network and reliability) necessary to ensure full deliverability of the projects.

At the request of the Commission, SDG&E withdraws AL 2385-E and will re-file after further amendments to the subject power purchase agreements have been completed. SDG&E has also requested a twenty-two (22) day extension to re-file the amended agreements by July 31, 2012 in a separate letter to the Commission which is pending approval.
