RE: Extension of Time to Comply with Resolution E-4466

Dear Mr. Clanon:

San Diego Gas & Electric Company (SDG&E) hereby requests a twenty-two day extension of time to comply with the above-referenced resolution. Specifically, SDG&E needs the additional time to negotiate and execute amendments to its existing power purchase agreements with the Sol Orchard entities to include a cap on network upgrade costs as set forth in the resolution.

SDG&E initially completed the negotiations and filed its compliance Advice Letter No. 2385-E on July 10, 2012. However, after consulting with Energy Division, it was determined that the substance of the amended contracts did not meet all of the requirements imposed by Resolution E-4466, and so Advice Letter 2385-E is being withdrawn. The requested additional time is needed to allow SDG&E to further amend the agreements, execute them, and file a new Advice Letter.

Wherefore, SDG&E respectfully requests an extension of time for filing its Advice Letter in compliance with Resolution E-4466 until July 31, 2012.

Sincerely,

A handwritten signature in black ink, appearing to read 'Theodore E. Roberts', is written over a light blue horizontal line.
