Subject: CPUC August 2012 eNewsletter

Having problems seeing this email [Click Here](#)

Welcome to the August 2012 edition of the California Public Utilities Commission's (CPUC) eNewsletter, where you'll find information on National 811 Day, California's solar success, and the CPUC's outreach to seniors and the disabled.

CPUC Helps Educate at Disability Events

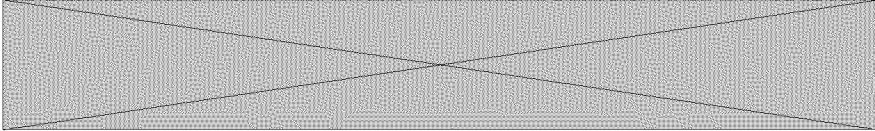

The CPUC was an exhibitor at the 3rd Annual West Coast Disability Pride Parade & Festival in Mountain View, sponsored by the Silicon Valley Independent Living Center and the Office of Santa Clara County Supervisor Dave Cortese (District 3).

California Leads The Nation In Customer-Generated Solar Power

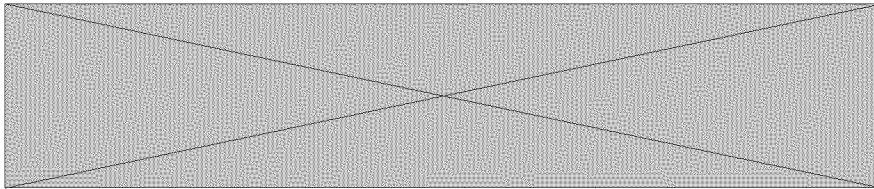

In 2011, California reached a major milestone by becoming the first state in the nation to install more than 1 gigawatt (1,000 megawatts) of customer-generated solar energy; a record 311 megawatts (MW) were installed in the investor-owned utility territories in 2011 alone.

National 811 Day Offers Reminder to Call Before You Dig

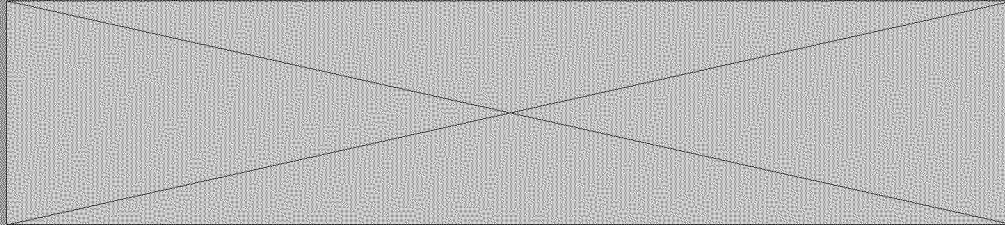

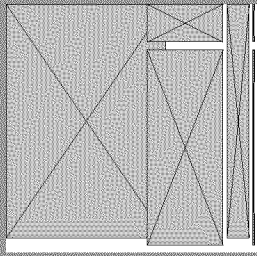

The CPUC, in support of the efforts of the California Regional Common Ground Alliance, reminds all Californians that August 11 (811) serves as a natural reminder to call 811 prior to any digging project in order to have the location of below ground utility owned pipelines or other structures located and marked.
