Subject: IBEW & tree trimming

Hi Tom,

A few months ago I began working with PG&E on a potential concern about tree trimming contracts and IBEW. Tom Delzell had said a while back that potentially the issue would be resolved since PG&E made an acceptable proposal, but I heard from him yesterday that that deal was now off. I am not going to make this email too long on the background, but please let me know if I need to; I'm assuming that you are close to the issue.

I was brought into this at the request of President Peevey. He would like us to find a solution.

Please let me know of any updates. Previously, I was work with Gun Shim and Brian Cherry, but Tom mentioned yesterday that you are the main contact and I should reach out to you.

Thanks,

marzia
