Subject: RE: PG&E Ride Along with Gas or Electric Personnel

Cody. They can do either or. Or both. I need a date that works for them and then I will have it arranged. Also, where do they want to do it as far as location ?

Brian,

Damon and Audrey would like to ride along with one of your Gas Service Representatives or Electric Line Crews. I am unsure if they are interested in spending a day with one of your crew personnel in the gas or electric areas, but I figure starting with their intentions would be a good start.

Would you happen to know how this process could be initiated? I think September would be best.
