Subject: RE: PG&E Ride Along with Gas or Electric Personnel

Brian,

The week of September 3rd and the week of September 17th would be best (off-weeks for Commission meeting). September 3rd is Labor day, so lets go with the week of the 17th, but remember Tuesday's do not work for Carol and Fridays wouldn't be fair.

So, I propose Monday, September 17th, Wednesday or Thursday.

Carol, Damon and Audrey would like to do half-day of electric and half-day of gas. I am not too sure the locations, but it would be nice to know what our options are.

Thank again for setting this up.

Cody. They can do either or. Or both. I need a date that works for them and then I will have it arranged. Also, where do they want to do it as far as location ?

Brian,

Damon and Audrey would like to ride along with one of your Gas Service Representatives or Electric Line Crews. I am unsure if they are interested in spending a day with one of your crew personnel in the gas or electric areas, but I figure starting with their intentions would be a good start.

Would you happen to know how this process could be initiated? I think September would be best.
