Bishu,

I have been working with Francis Yee of PG&E who has been responsive, Brian does the name ring a bell.

Aaron – I am cc-ing Brian Cherry with the PG&E who can help you getting your speaker for the monthly NARUC gas committee calls in case you are running into difficulties. Commissioner Simon suggests you contact Brian if you are facing delay getting a positive response from PG&E.

Please get back to me asap. Thank you.

Hello Bishu,

I got your voice message thanks for getting back to me regarding the webinar, could you forward me some information on the time & date. I would to make sure it fits well in everyone' schedule. In addition, do you have agenda on how you begin things etc. it could be something you have done in the past for example.

Thanks

Aaron Johnson
