Subject: Audits of IOU Energy Efficiency Portfolios

Dear stakeholders to energy efficiency proceedings R. 09-11-014 and R. 12-01-005:

Please find attached the CPUC's audits of IOU portfolios for 2010. These audits are conducted each year for Energy Division by the CPUC's in-house audit bureau, the Utility Audit, Finance and Compliance Branch.

The IOUs have helped Energy Division identify and redact any confidential information, such as the names of contractors, retailers, customers, etc. We are still reviewing information in files that are embedded in two of the audits. For now those files are redacted. Energy Division will update the audit reports posted here if there is more public information to include. If you are interested in any particular redacted information and believe that we have redacted it in error, please let me know.

Below is a link to the Public Documents Area where you can find the same memos, and any updates of them we post at a later date. To locate the audit memos, use the search function. Either type in "audit," or use the pull down memo to find Itron Work Order 18, the contract which is funding a larger, related study. Scroll to find the listing titled "IOU 2010 Audit Memos by CPUC."

It may take a few moments to open the zip file.
