Thanks Tim. I understand the work load issue and the need for a vacation. A mailing by mid/end of September would be great.

Brian,

I expect to mail mid to late September.

I have an outline and have started writing, but I have a few other decisions I'm working on as well (today I'm preparing a privacy phase II PD for the next meeting). In addition, I am going on a one-week vacation in the first week of September. Still, I anticipate it will be short.

I keep Audrey Lee in the loop on everything and work closely with her on all matters.

Tim

Procedural question Tim – any ETA on when we can see a PD on the LLNL proposal ?
