Subject: En Banc on Corporate Sustainability

Hello,

On Tuesday, August 21st, the California Public Utilities Commission (CPUC) will host an En Banc on corporate sustainability programs for California's investor-owned utilities (IOUs).

This En Banc is an effort by CPUC President, Michael Peevey to highlight what sustainability is, and what the challenges and opportunities are so we can make the practice of sustainability an integrated part of all our policies and business practices.

All five CPUC Commissioners will be in attendance for this En Banc.

Click on this link for the agenda and other information
