You rascal – hooray!

Larry came in last night and it was so cold and windy we went to Absinthe and sat at the bar and had a cocktail and then steak frites and then a corn panna cotta for my birthday. . . mmmm so good!

Today he is making Bolognese sauce for a friend from Marfa and our neighbor for dinner tonight. I love this!!

We should be somewhere having a cocktail...

I think I may surprise Paul and issue both reports on Tuesday.

Are you having as great a Friday-before-holiday-weekend as I am??

Re welder report: Paul said "I approved it this morning (yesterday). Released Tuesday or Wednesday, whichever day we don't release an energy efficiency report."

Do you have any idea which day?

Tuesday would be so nice. . .
