Subject: The Devereaux Affair

Thank you for attending yesterday's meeting; I believe that it was a very useful way for us to spend our time on this proceeding.

With everyone's permission, I briefly spoke with the Judge. I told her that we had met for several hours and that we thought that more time would be useful. She indicated that she would simply want a 'check in' in three weeks. I anticipate contact between the parties regarding schedule before that.

Finally, I believe that I included everyone that was at the meeting on this email, but please let me know if you believe that I missed someone. [Redacted] can you please forward this to Mr. Heddle with a cc to me because I do not have his email address?]

Have a nice weekend,
