Subject: CA High Speed Train Project/Central CA Transmission Study

Mr. Schmedes and Mr. Kanevsky,

The CPUC Energy Division's Infrastructure Planning and Permitting Section met today with PG&E regarding their long-term Central California Transmission Study.

I was asked to put you in touch with Steve Metague, Senior Director of Transmission Project Development at PG&E.

Mr. Metague can be reached at:

Phone 415.973.6545  
email: [SJMD@pge.com](mailto:SJMD@pge.com)

I have previously provided contact information for Merideth Allen at PG&E who is copied here.

Please call if you have any questions
