August 27, 2010

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking on the Commission's Own Motion to Adopt New Safety and Reliability Regulations for Natural Gas Transmission and Distribution Pipelines and Related Ratemaking Mechanisms.

R. 11-02-019
(Filed February 24, 2011)

**CORRECTION TO
AMENDMENT TO SAFETY PLAN
OF LODI GAS STORAGE, L.L.C**

Pursuant to Rule 1.12 of the Commission's Rules of Practice and Procedure, Lodi Gas Storage, L.L.C. ("LGS") hereby files this Correction to Amendment to Safety Plan of Lodi Gas Storage, L.L.C. On August 24, 2012, LGS filed new Attachment G to LGS's Safety Plan previously filed with the Commission on June 29, 2012. Attachment G as filed on August 24, 2012, inadvertently contained material that should not have been included in the attachment. That material has been removed and a corrected Attachment G is attached hereto.

Dated: August 27, 2012

Respectfully submitted,
DOWNEY BRAND LLP
