Hi John and Erik,

I was reminiscing with Grace as she finishes up her internship, and we were wondering about photos from our Diablo Canyon tour. Are there some that could be sent to us? If so, that would be a great memento for Grace, and the rest of us also.

It really was a memorable tour, and I thank you again for the opportunity.

Regards,

Charlotte

Dear Messrs. [Redacted] Hughes, and Jacobson:

On behalf of Commissioner Ferron's office, I wanted to thank you for giving us a tour of the Diablo Canyon Power Plant last week. It was very interesting to see how a nuclear power plant operates, and we were particularly impressed by the safety culture and information sharing of best practices in the nuclear industry.

We especially want to thank [Redacted] for giving us a very thorough and informative tour and for his patience in answering all of our questions.

Much appreciation,

Charlotte TerKeurst, Chief of Staff
