How many people will you be bringing?
Need to make sure we have enough chairs.
Thanks!

Bill, We will bring hard copies of a PowerPoint and don't have any other needs. See you Wednesday! Erik

Erik,
Is there anything PG&E needs, e.g., a projector, for the meeting?

Note, we have a new Smart Board in the room. I think you can use it, if you want (thumb drive with your presentation on it).

I know I'd like a full-size hardcopy, if you do a PowerPoint. I think most folks here like to be able to write on it, and take it with them, but of course, it's your meeting.

Please let me know if there's anything you need. I telecommute Wednesday.

Thanks!

Bill
