Great. Sounds like Wednesday is the day. At the Bell?.....around noon? I just realized I have Sarv's phone number but not his email. I will give him a call.

How does lunch sound next week? I spoke with a few of you and next Wednesday or Thursday, Sept. 5 or 6, sounded OK. Please weigh in and let all of us know what works. Also if any of you have Sarv's contact info let him know as well.
