

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Continue
Implementation and Administration of
California Renewables Portfolio Standard
Program.

Rulemaking 11-05-005
(Filed May 5, 2011)

**STATEMENT OF EDF INDUSTRIAL POWER SERVICES (CA), LLC
REGARDING NET SHORT CALCULATION
AND 2012 RPS PROCUREMENT PLAN UPDATE**

With the permission of Administrative Law Judge (ALJ) DeAngelis, EDF Industrial Power Services (CA), LLC (“EDF”) hereby submits this Statement regarding—and in lieu of—the “net short” calculation and 2012 RPS Procurement Plan update required by the April 5, 2012 Assigned Commissioner’s Ruling and the August 2, 2012 ALJ’s Ruling.

EDF filed its 2012 RPS Procurement Plan on May 23, 2012. In that filing, EDF explained that as a newly registered ESP it does not serve any load in California and has no immediate plans to do so, and that it therefore has not undertaken any specific RPS procurement activity. As the above circumstances have not changed, EDF has no “net short” to recalculate nor any other changes to make to its 2012 RPS Procurement Report.

Respectfully submitted,

Gregory S. G. Klatt
