Subject: Energy Storage Service List R10-12-007

Thanks to all for participating today.

A couple of things: Because of the Columbus Day holiday, the plan to have workshops on Use Cases on October 8-9 will be deferred until Oct. 15-16.

A notice and details will be forthcoming.

Attached is the Revised Matrix referenced today (some editing cleanup, no substantive changes),

And the slide deck used in today's workshop.

ASAP, we'll be sending out a list of the people and contacts for who will be leading working group development of each use case, and any holes we need to fill.

Thanks!

Arthur O'Donnell

Energy Division
