Manisha and Jonathan –

Here is something on our handling of the CIA. Note that the price signal is still clearly in our explanation of tiers, which is much improved with the bill redesign.

yours,

Sid

Here are current bills showing CIA. The only differences on the new bill would be 1)The CIA is listed first in the list of component revenues, and 2) the list of component revenues moved to page 2 of the RCES.

Hi

2 actual bills – straddling July 1, 2012. One customer bundled and one CCA
