Your electric charges on this page are broken into non-generation electric charges from PG&E at the top of the page, and generation electric charges from Marin Clean Energy. These two charges are for different services and are not duplicate charges.

Your bill includes a Gas Public Purpose Program (PPP) Surcharge, which is used to fund state-mandated gas assistance programs for low-income customers, energy efficiency programs, and public-interest research and development.

The California Alternate Rates for Energy (CARE) Program provides a monthly discount on energy bills for income-qualified households. Applying is free, easy and confidential. To see if you qualify, please visit [www.pge.com/care](http://www.pge.com/care) or call 1-866-743-2273.

El programa de California Alternate Rates for Energy (CARE) ofrece un descuento en la cuenta mensual de energía a los hogares que califican. Inscribirse en el programa es gratis, fácil y confidencial. Para determinar si califica, por favor visite nuestra página en el Internet [www.pge.com/care](http://www.pge.com/care) o llámenos al 1-866-743-2273.

SmartMeter Opt-Out Alternative

At PG&E, we believe in choice when it comes to the meter at your home. As a residential customer, you have the option to opt-out of the SmartMeter Program. CPUC-set opt-out charges do apply. For more information, visit [www.pge.com/SmartMeterOptOut](http://www.pge.com/SmartMeterOptOut), or call 1-866-743-0263.

New for after July 1, 2012

Rotating outage blocks are subject to change without advance notice due to operational conditions.

CUSTOMER NAME

Generation includes PG&E's total cost of energy. Approximately 2% of your energy is provided by the Department of Water Resources (DWR) and collected by PG&E as DWR's agent. In 2012, DWR will return \$303 million to bundled service customers. The average amount returned for each kilowatt hour (kWh) of energy usage provided by DWR is projected to be 25.056 cents, and offsets other generation charges in this bill. DWR also collects the Power Charge Indifference Adjustment component of the Cost Responsibility Surcharge from Community Choice Aggregation, Direct Access and Transitional Bundled Service customers.

If you receive regular residential electric service on PG&E's E1 rate plan\*, the following rates were used to calculate your PG&E non-generation charges effective July 1, 2012:

Tiers	2009 (i) Vintage	2010 (i) Vintage	2011 (i) Vintage	2012 (i) Vintage
Tier 1 (Baseline Usage)	\$0.06478	\$0.06639	\$0.06659	\$0.06659
Tier 2 (101-130% of Baseline)	\$0.08235	\$0.08396	\$0.08416	\$0.08416
Tier 3 (131-200% of Baseline)	\$0.23194	\$0.23355	\$0.23375	\$0.23375
Tier 4 (201-300% of Baseline)	\$0.27194	\$0.27355	\$0.27375	\$0.27375
Tier 5 (Above 300% of Baseline)	\$0.27194	\$0.27355	\$0.27375	\$0.27375

(i): If you joined Marin Clean Energy before July 1, 2010 the 2009 Vintage applies;  
 if you joined Marin Clean Energy on or after July 1, 2010 the 2010 Vintage applies;  
 if you joined Marin Clean Energy on or after July 1, 2011 the 2011 Vintage applies;  
 if you joined Marin Clean Energy on or after July 1, 2012 the 2012 Vintage applies per Schedule CCA-CRS.

Your generation rates irrespective of the rate plan are reflected in the third-party bill for Marin Clean Energy.

\*If you do not receive regular residential electric service on PG&E's E1 rate plan, the rates listed above do not apply to your billing calculations. For rate plans other than residential E1, please refer to <http://www.pge.com/cca/> for your applicable non-generation rates. If you have questions, please call PG&E at 1-866-743-0335 or Marin Clean Energy at 1-888-632-3674.

For your convenience, PG&E offers four-hour appointment scheduling for service visits. If you have special scheduling needs, be sure to let us know when you call.

Moving? Please call us anytime, at 1-800-743-5000, to notify us of your new mailing address.
