Thanks Melissa and Mariano for getting back to us so quickly. I'm also copying my colleague Matt Miley on this, because he may follow up next week when I will be out of the office.

Hi Chris and Charles,

Based on my review of PG&E's comments in response to Panoche's motion, it appears that PG&E and DRA have similar concerns about this matter. Would you be able to send a copy of the dispute resolution language at issue in the Panoche PPA? And would you consider sending a draft of the comments you intend to file? I realize that there is the opportunity for reply comments, but we would nevertheless find it useful to take a look at your comments in advance of next Wednesday. I will be in the office tomorrow, and then out next week. My colleague Matt Miley will be working on this in my absence.

Thank you for your consideration of these requests,

Diana Lee
