2 **STATEMENT OF QUALIFICATIONS OF KRIS VANESSA KEAS**

3 Q 1 Please state your name and business address.

4 A 26 My name is Kris Vanessa Keas, and my business address is Pacific Gas
5 and Electric Company, 375 N. Wiget Lane, Walnut Creek, California.

6 Q 27 Briefly describe your responsibilities at Pacific Gas and Electric Company
7 (PG&E).

8 A 17 I am currently the Supervisor of Risk Management within the Transmission
9 Integrity Management Group. In this position, I am responsible for
10 supervising the overall transmission integrity management program in the
11 areas of high consequence area analysis, threat identification, risk
12 assessment and integrity assessment planning. I am also responsible for
13 integrity management reporting and GIS support.

14 Q 28 Please summarize your educational and professional background.

15 A 28 In 1994, I received a Bachelor of Science degree in Materials Engineering
16 from California Polytechnic State University in San Luis Obispo. I joined
17 PG&E in 2011 as the Supervisor of Risk Management. Prior to joining
18 PG&E, I held numerous positions within the gas industry. In 1996, I joined
19 the Southern California Gas Company (SoCalGas) as a staff technical
20 consultant. In 1997, I transferred to Field Operations where I became a
21 System Protection Supervisor for the local system integrity program. In this
22 capacity, I was responsible for monitoring and scheduling the repair of leaks,
23 pipeline replacements due to condition, and coordinating the local field
24 maintenance inspections program. Between 2000 and 2004, I held a variety
25 of construction planning positions. In 2005, I transferred to the Integrity
26 Management Program as a Senior Engineer supporting in-line inspection.
27 In 2006, I was promoted to Team Lead for the Preventive and Mitigative
28 Measures Group where I was responsible for developing and implementing
29 the post-assessment program, as well as the threat identification and risk
30 assessment processes. In 2010, I was promoted to Maintenance &
31 Construction Manager within Gas Operations Services where I led the
32 overall compliance maintenance program for gas distribution. This was the
33 last position I held within SoCalGas before joining PG&E.
