Re: R.11-05-005 – Provisional 20% RPS Closing Report

Dear Mr. Blackney:

With the permission of the Director of the Energy Division, Consolidated Edison Solutions, Inc. (“CES”) hereby submits this letter in lieu of a Provisional 20% RPS Closing Report. As required by the April 5, 2012 Assigned Commissioner’s Ruling in the above-referenced docket, CES filed its 2012 RPS Procurement Plan on May 23, 2012. As explained in that filing, CES is a newly registered ESP and does not serve any load in California. Accordingly, CES has no procurement or reporting obligations with respect to the 20% RPS program.

Respectfully submitted,

Gregory S.G. Klatt  
Attorney for Consolidated Edison Solutions, Inc.
