Subject: RE: Energy Division Data Request: RCES

Gabe

I am resending Customer Research reports on RCES in smaller e-mails. You have already received the CARE summary (CARE_RCES line item.ppt) We did research in 2004 and 2006 for this project. We revised the prototypes and followed up with more research in 2011-2012. This more recent research tested more closely the format filed in AL 3304-G/4052-E.

Here is the complete list of what I will be sending:

2011-2012

1. Bill Redesign Online Research - March 2, 2012 (attached here)
2. Bill Redesign Qualitative Research - September 29, 2011
3. Bill Redesign for the Visually Impaired Qualitative Research - January 2012
4. Revised Customer Energy Statement (RCES) Update – February 3, 2012 Update to Settling Parties
5. PG&E Revised Customer Energy Statement - January 27, 2012 Update to MEA
6. PG&E Revised Customer Energy Statement Workshop - September 30, 2011 Update to Settling Parties

2004-2006

1. Final Report: Bill Reformat Focus Groups - July 2004

2. Final Report: Bill Reformat Focus Groups Part 2 - December 2004
3. 2006 Bill Redesign Survey - November 2006
4. PG&E Bill Redesign project: Customer Testing Research Results - September 2006
5. PG&E Bill Redesign project: Customer Testing Research Results for Credit notices, Direct Access and Streetlight prototypes - November 2006
6. PG&E Bill Redesign project: Research results for Residential and Large font bill formats tested with low-vision customers - December 2006

Subject: Energy Division Data Request: RCES

Hi Redacted

I would like to make a data request of PG&E. Please send all related customer research surveys, reports, presentations, and focus groups results that PG&E produced to inform its design of the RCES. We are requesting this to inform our review of Advice Letter 3304-G/4052-E. Please send this electronically by the end of today. Please contact me if you have any questions or concerns about this request.

Thank you.
