Kimberly,

Advice Letter 4076-E contains an Attachment 2: Summary of Revenue and Average Rate Changes.

The footer in the printed version included in the pdf of this advice letter refers to this file:

AL4076-E_Attachment 2.xlsx

Could you please send me that spreadsheet in electronic form? I don't think we need it to approve this AL, but the data it contains on revenue, sales, and average rate by rate schedule would help us greatly to answer questions we often get about average rates. Most such questions are internal--from others in the CPUC, but occasionally come from outside. For that reason, please let me know if any part of this spreadsheet contains confidential data.

Thanking you in advance

Bob Benjamin
