Subject: PG&E's Transwestern Pipeline Capacity Recommendation

Good afternoon.

PG&E requests your participation in a teleconference on Wednesday, September 26<sup>th</sup> at 9:00, to discuss a Transwestern Pipeline (TW) capacity renewal recommendation by PG&E's Core Gas Supply. Our existing TW contract expires April, 2013, followed by El Paso and Kern River, both on June 30 2013.

I'll send a separate Outlook request to confirm availabilities. Discussion materials will be forwarded before the call.

Thank you,
