Subject: RE: PG&E PSEP, P/L Replacement Decision Tree

I sent you 2 separate emails about 10 minutes apart. The first email was the Pipeline decision tree. The second email contained a portion of the Chapter 4 testimony with the valve automation decision trees. These were embedded in the testimony and were not a separate attachment. I wanted to make sure you had exact copies from the testimony. If you want a pdf or another file form with just the decision trees please advise.

**Todd,**

**The valve decision tree is not here. Is anyone still working on providing that?**

**Thanks.**
