Julie can I get a copy of the letter to Chrnm Hersman when it's signed/sent? If we could do the call Wednesday, or anytime Friday afternoon, that would be great.

Here are Brett's and Jerry's emails:

Thx

Hi Jane. I agree, I have a meeting with Jim Hall and associates next week so a conference call shortly thereafter would be good.

Hi Julie, am back in SF this week (gladly!). Here's the current utility part of the working group

for the CPUC Safety Symposium:

- [REDACTED] Brett Lane, Sempra
- [REDACTED] Jerry Schmitz, Southwest Gas
- [REDACTED] Jane Yura, PG&E

It may be a good idea for you to schedule a conference call soon to discuss next steps. Maybe get the team to think about the agenda, before the call. I was thinking additional invitees could be AGA (American Gas Association), and possibly the State Fire Marshall/OES, perhaps PHMSA...?

Let me know,

Thx

Jane
