I'd say slightly encouraging. ;-)

The motion has to be filed so that we don't have to submit a brief next Friday on penalties. We are filing a concurrent motion asking that briefing on penalties be done as a joint brief in all three cases because the proper penalty level should be looked at together. Otherwise we have to submit our brief on 9/14 that has a penalty number. So you could view it as not encouraging or neutral.

Sounds less than encouraging.
