CORPORATION RELEASES 2011 CORPORATE RESPONSIBILITY AND
SUSTAINABILITY REPORT

I am currently giving the keynote address at the North American Energy Standards Board (NAESB) Board of Directors Dinner in Houston, Texas. This stems from my membership on the NAESB Committee on Gas and Electricity Harmonization (GEH). My remarks will address GEH from the perspective of a California Regulator. I will be returning to the office this Friday, 9/21/12. If your matter is of an urgent nature, please contact my office at 415-703-1407.
