Capitol Weekly's Top 100 List: 1-to-50

There's so much going on in the Capitol and the political community that targets it – the trade groups, the lobbyists, the bureaucracy, the consultants – that no list of names can really capture the energy. But except for some last-minute hysteria and juggling, we're pretty happy with this list: It gives you an idea of who's doing what to whom and why, which is the whole point. Some people who were on last year are missing this time around because they are doing different things and others are absent because their functions changed. Still others we simply couldn't squeeze in, such as Parke Skelton, Jamie Court, Joel Fox and Wendy Mitchell. Their 15 minutes of Capitol Weekly fame, such as it is, will have to wait until next year.
