Can you send me the NTSB letters that address status (Maybe March is only one?) too? (not that I don't trust you guys...)

Thanks.

Michelle

Michelle

Here are three things: Cover letter from Chris Johns to Hersman last May; status as of last May; and an August update that Jane, Jesus and Nick used when they visited the NTSB Board in August.

I think this covers all we have on the NTSB recommendations right now.

Thanks

Brian- I know you sent me a copy of PG&E's status on the various NTSB
recommendations and where they are at with NTSB (open, closed,
whatever), but I can't find it. Can you send me the current status?

Thanks.
