Yes. Alex Robert Cherry 8/19 6 lbs. 8 oz 21 inches And now over 10 lbs. And only sleeping every three hours. My advice - keep people away for a few weeks. If people come by, have them bring food, say hello and send them on their way 5 minutes later. The first month is very hard. Congratulations. You will never regret it - and this is my third (I have a 21 and 19 year old).
