Why don't you come to the front of the PG&E building and then we can head down Mission.

I have Carol with me, so we're planning on leaving here at 5pm and can meet you somewhere on Market and Beale and then we walk together?

I despise disorganization! I don't need to be copied on all of this travel that I haven't even approved yet. It bugs me that people are retarded.

On that note, I got a call from Erick at 7ish last night and also an email about how swamped he has been and then saying that Carol and I can't really be at the same meeting... weird that he still displays government worker mentality ☺
