Let's plan to talk by phone in the afternoon at some point, I am still working through logistics on our side. I don't think in person will be feasible at this point.

Michelle,

I'm free from 11 to 1 and then from 2:30 to 5. Would either of these work for you?

Tom- I would like to find out if you would have availability to meet Friday. I am hopeful that I will have an offer to present to PG&E on Friday. Please send me some times that would work. I do not intend to bring the cast of thousands from our side. It would be a single representative from each party that joins in the offer (perhaps 2 from CPSD) and would hope for a similar set from PG&E. I should know more tomorrow to loop back with you.
