Subject: AB 32 Fees Admin Case

Hi Meredith

As you are aware, we issued a PD/APD in the AB 32 Admin fees case last week. Apparently, there was a problem with the service, and two of the parties (not PG&E) did not get it. To remedy, we are re-serving today. I'd like to keep the same mailing date, so what I'd like to propose is to slip the comment period (to give everyone the almost full 20 days) to 10/15 and then shorten reply comments to 10/18; if you think this will work, then I'll have the ALJ email out the dates next week. If there is an objection, then we'll just give everyone full time and delay consideration until the next meeting.

Let me know if you anticipate any concerns from PG&E.

Thanks!

Michael
