Subject: RE: TRTP Data Request

Great,

Thanks Meredith. I received the Bottle Rock summary sheet. The resolutions are already in the publishing process. We didn't mention anything about the engineering report in either resolution so it's safe to say this should not come up as a concern at the meeting on Thursday.

**Subject:** TRTP Data Request

Hi Meredith,

This is the data request I send you a quick email about last week. Can you please make sure Erik Jacobson receives it? I don't have his email address.

Thanks
