PG&E does not oppose CPSD's motion provided PG&E is given the opportunity to respond to the supplemental report CPSD proposes to submit. PG&E requests that it be allowed 45 days from CPSD's service of its supplemental report to serve responsive testimony. CPSD's companion motion for permission to file a single coordinated brief regarding proposed fines and remedies (which PG&E also does not oppose) requests a filing date 45 days after the end of hearings in I.12-01-007 (scheduled for October 19). Granting PG&E permission to serve

responsive testimony 45 days after service of CPSD's supplemental report would make PG&E's submission around the end of October, well in advance of the proposed briefing date in CPSD's companion motion.

Respectfully submitted,

By: /s/ Michelle L. Wilson
